

## **Govanhill Baths Art and Regeneration Team**

### **Exhibition proposals**

This form is for proposals for exhibitions in the front suite of the Baths, the reception / office / workshops areas.

Please complete the proposal form with up to five images and/or a 5 minute audio or film clip as an indication of the kind of work to be exhibited and return to GBART, Govanhill Baths, 99 Calder Street, Govanhill, Glasgow G42 7QR, or email to [art@govanhillbaths.com](mailto:art@govanhillbaths.com).

Proposals will be considered on a regular basis by GBART. Get in touch to find out when the next meeting is through [art@govanhillbaths.com](mailto:art@govanhillbaths.com)

Where work is offered for sale, we would expect to take 30% of the sale as a donation to Govanhill Baths Community Trust.

We regret that we cannot offer any fee or expenses, but will assist where we can in the hanging of the exhibition and the promotion of it through our programme, website, mailing list, and newsletter.

Work will be on display at your own risk although the space will be closely monitored and supervised during opening hours.

Please contact us if you need any help completing the form, or would like to find out more about this opportunity, or to be involved in any other way in the activities of GBART.

Proposals for use of other parts of the building can be accepted but it is a longer process as we need permission from the Council to use other parts of the building. We would usually ask you to attend a GBART meeting to discuss your ideas first.

Exhibition proposal form

Main contact

Name:

Email address:

Phone number:

Title of the exhibition (if known):

Description of the proposed exhibition – content / theme etc

Artistic medium – painting, photography, drawing etc
